Paolo d' Amico appointed New

Paolo d' Amico's business experience will greatly support, as majority shareholder representative, RINA S.p.A. strategies and continuous international growth, through significant investments in the digitalization of its services across all industry sectors.

The new Chairman in his opening speech said: «Covid-19 has given momentum to some latent factors that require great competence and technological skills. Registro Italiano Navale has the primary goal to support RINA S.p.A. in building the future, starting from some assets that have re-confirmed their importance during the pandemic emergency: environmental sustainability – in its widest meaning, including finance and governance – and digitalization. RINA S.p.A. has demonstrated its dynamic approach and capability to build the basis for a solid and sustainable development. This vision follows the chairmanship of Gaspare Ciliberti, who led Registro Italiano Navale with great commitment and to whom go my most sincere thanks»
